### Spiritual Communion Prayer

My Jesus,  
I believe that you are present in the Most Holy Sacrament.  
I love you above all things and I desire to receive you into my soul.  
Since I cannot at this moment receive you sacramentally, please come spiritually into my heart.  
I embrace you now, as if you were already there, and unite myself wholly to you.  
Never permit me to be separated from you.  
Amen.

### WORLD DAY OF THE SICK 2021 Thursday 11<sup>th</sup> February

**“You have but one teacher and you are all brothers” (Mt 23:8).  
A trust-based relationship to guide care for the sick**

In his message for the 29th World Day of the Sick on the 11<sup>th</sup> February, Pope Francis urges a path of healing grounded in a trusting and interpersonal relationship between the sick and those who care for them.

“A society is all the more human to the degree that it cares effectively for its most frail and suffering members, in a spirit of fraternal love.” Pope Francis makes the point in his message for this year's World Day of the Sick.

In order to fight hypocrisy and self-idolatry, he says, Jesus asks us to “stop and listen, to establish a direct and personal relationship with others, to feel empathy and compassion, and to let their suffering become our own as we seek to serve them,”

The Catholic Church marks the annual day on the 11<sup>th</sup> February, the feast of Our Lady of Lourdes. Instituted by Pope Saint John Paul II on the 13th May 1992, the first World Day of the Sick was marked the following year.

Pope Francis says that the annual day “is an opportunity to devote special attention to the sick and to those who provide them with assistance and care both in healthcare institutions and within families and communities.” He expresses his spiritual closeness and the Church’s loving concern for those suffering the coronavirus pandemic, especially the poor and the marginalized.
