

**New methods of supporting your Parish Financially here in Our Lady Crowned Church.**

### **The Donate Button on our Parish Website**

This past week we introduced a Donate Button to our Parish Website. Simply log onto our Website [www.olcmayfield.ie](http://www.olcmayfield.ie) - go to the Donate Button and click to see how it operates.

### **QR Code - Quick Response Code**

**QR** stands for "Quick Response." It looks simple and it is. **QR codes** when scanned allows the user to access information instantly – hence why it's called a Quick Response Code.

Here is our diocese each parish has its own unique QR Code. Both the QR Code and the Donate Button are secure and safe ways to make payments to the parish whenever you wish to do so – The secure site is called **Payzone**. If you have a phone with a camera you can point at the above **QR Code** and it will take you to the **Parish Donate Button** for the Offertory Collection etc. You can use a credit or debit card to make an offering.

Shortly we will give you more details about this on our Parish Facebook Page and Website. This will also have a video link which will explain all of this in more detail.

As always we thank our parishioners for their continuous generosity and financial support during these difficult times.
