Fourth Sunday of Lent 2021 - Reflection

In our day-to-day struggle just to get on with the business of living it is unlikely that we go around with the image of ourselves as 'God's work of art'.

There are many forces at work both within us and outside us which tend to pull us down and to leave us with negative feelings about ourselves and those around us.

By contrast, at the heart of the gospel message is the wonderful assertion that we are the handiwork of a God who does not make mistakes.

This is the God who so loved the world that he gave his only Son not to bully us into obedience or to threaten us with hellfire but to bring us to life in its fullness. This is terrific news indeed, so let us take steps to ensure that other messages do not drown it out.

Mother's Day – Sunday 14th March 2021

This Sunday is Mother's Day, here in Our Lady Crowned Church - we remember all mothers both living and deceased in our Mass today.

St Patrick's Day 2021

On St Patrick's Day we celebrate our rich Irish Culture all over the world. Each year here in our parish we remember the sons and daughters of our parish community working and living away from home. There is a box at the entrance to the church where you can place their names. All will be remembered on St Patrick's Day in our Mass and prayers. This year we remember those who cannot be with family due to travel restrictions. If you cannot get to our church – you can email the names of family members and friends living elsewhere in the world:
