3rd Sunday of Easter Reflection

Only in Luke do we find this resurrection story that is built around the theme of a journey. This is a theme dear to the evangelist as he portrayed Jesus journeying to Jerusalem through the second half of his gospel.

Now we are shown disciples coming away from Jerusalem full of disappointment and lacking in understanding. On their journey they are brought to see things differently by a Jesus they only finally recognise at the breaking of what the Emmaus journey is all about.

Every Christian must come to a resurrection faith, one that accompanies Jesus through from Good Friday to Easter Sunday. We are invited to understand through our prayerful reading of the scriptures and the events that occur 'on the road' of our lives that the risen Lord still walks with us and meets us, especially when we gather to break bread, that is share in the Eucharist.
