May they rest in eternal peace

The Gospel today is from the Gospel of Saint Mark. Jesus clearly wants to have time for Himself, time to pray, time to be alone. Yet when Jesus sees the people, His heart is moved to be with them. “When he disembarked and saw the vast crowd, his heart was moved with pity for them, for they were like sheep without a shepherd; and he began to teach them many things.”

It is more important to be with the people and to show them the road to life than to be off by oneself, even in prayer to God. On the other hand, we know that Jesus always seeks out time for prayer. Even if Jesus does not get the time that He was hoping for, nevertheless, He always is praying. We are not usually so consistent and far too often we push people out of our lives so that we can pray. We are invited to become more and more like Jesus: never pushing the people out of our lives but always finding time to pray.

Let us be women and men who always serve the Lord Jesus, the Father and the Spirit in all we do! Let us abandon ourselves so that we may serve others, each in his or her own way.

Our Parish Newsletter is also available online on our Parish Website and FACEBOOK. Please bring a copy to the sick and housebound of our Parish.
