WHO DO YOU SAY I AM?

Imagine Jesus standing before you asking you the question “Who do you say I am?” How would you answer...from your own experience of knowing him in your life?

This Gospel calls each of us to reflect on our own relationship with Jesus and the message of the Gospel he brings to us – do you know him as a friend...a brother...or is he someone distant, someone in authority, a teacher...Or would you answer as Peter does “You are the Christ” –even though he finds it hard to accept fully what following Jesus means for his life.

Jesus challenges us just as He challenged Peter – to take up his cross. Following Jesus is not easy, it comes at a price. There is a natural tendency for each of us to shy away from all that is painful, difficult or challenging in life. Yet if we shy away we will not grow to reach our full potential – it is in accepting the pain, the challenge, the difficult times and trusting in God that He will help us in all things that we grow in our relationship with Him and with Jesus as a friend and brother who walks beside us always.

Our Parish Newsletter is also available online on our Parish Website and FACEBOOK. Please bring a copy to the sick and housebound of our Parish.
