GOSPEL REFLECTION 6th Sunday in Ordinary Time

Saying Yes...

Yes...a small word that can mean so much to you and to those to whom you say it. It is probably the most powerful word in the English language. It is a word that says we are committed, we are willing, we agree. This word can open new doors for us, it can join people together for a lifetime, it can move us past our comfort zone, it says to others I am leading with my curiosity, I will take this new opportunity. I am sure you could add more meanings too. We each have the power to choose to say YES to whatever is asked of us. As Richard Branson once said, "If somebody offers you an amazing opportunity, but you are not sure you can do it, say yes—then learn how to do it later!"

Our Gospel today invites us to choose to say Yes to God and to his commandments. A lot to ask of us, but we know God only asks of us what is good. He seeks only our good and flourishing to be the best we can be in the world. In saying yes to the will of God in our lives we will be given the greatest reward of all – eternal life with God.

Saying yes, can be hard sometimes, it can go against our initial thoughts but sometimes we have to seize an opportunity when it is offered even if it takes away from our preferred option or requires a sacrifice on our part. At this time in the parish we are seeking new members for our Pastoral Council – if you are asked will you say YES

PLEASE NOTE

In the event of an Emergency and someone needing an Ambulance ~ it is very important that the entrance and area in front of the Church is kept clear at all times.
